

rvSafe Campaign Partner Application

The purpose of the rvSafe campaign is to raise awareness of and engagement with the importance of RV safety by filling the gaps in research, promotion, and education.

Why become an rvSafe Campaign Partner?

Becoming an rvSafe Campaign Partner is about actively supporting RV safety by promoting awareness and education of RV safety issues and contributing to expanding research in the area.

As a partner, we will promote your involvement in the rvSafe project on our website, social media and other communication channels.
